FINAL REMARKS

Application may be rejected based on issuance of TEC Certificate Report which is 25th September 2025

FINAL REMARKS

- (A.) We confirm that we have not received reimbursement for the applied testing/certification charges from any other agency. If, at any point, this claim is found to be incorrect, we understand that suitable legal action may be taken against the Start-up/MSE.
- (B.) We agree that if any information or submission is found to be incorrect or false, TEC/DoT reserves the right to take appropriate legal action against us.
- (C.) We acknowledge that reimbursement will not be considered for quality control tests related to product R&D. The reimbursement application will only be considered for expenses incurred on testing related to product certification at TEC/NCCS.
- (D.) We confirm that we possess all relevant documents, including test reports, invoices, and certificates, supporting the testing and certification fee for which reimbursement is requested.
- (E.) We certify that the annual revenue of the Start-up/MSE has not exceeded INR 5 crores in any financial year since incorporation and that the start-up has not raised funds exceeding INR 10 crores. We also confirm that the bank account details provided, along with a copy of a cancelled cheque, are accurate.
- (F.) We hereby undertake that we have read and understood all the terms and conditions of the Scheme for Reimbursement of Testing and Certification Costs for Start-ups/Micro & Small Enterprises (MSEs). We agree to comply with all the terms and conditions of the scheme throughout the reimbursement process.
- (G.) We confirm that the applicant details provided in this application are accurate. We declare that all the submitted information is true to the best of our knowledge. We understand that any deviation from the above declarations or submission of incorrect information may lead to the rejection of our application without further reference. Additionally, if any discrepancies are discovered at a later stage, we acknowledge that TEC/DoT reserves the right to take suitable legal action against us.
